

- Operates in 11 Industries with 47 Affiliates & Subsidiaries.
- Over 40 years of experience in the 'Electronics & Power Electronics' industry.
- UPS Company, founded in 1980, was sold to Legrand Group in 2010.
- 1,500 employees.
- Strategic investments in fields such as Renewable Energy & Military Electronics.
- 9 Group Companies prioritized R&D; many Projects are supported by the State.
- International Investments in the electronics industry in countries such as China & Hong Kong.
- At the end of 2019, it earned close to \$ 300 millions in revenue.

CONFIDENTIAL and PRIVATE

Electronic I Investments

Seeking Companies for Investment:

- High growth potential
- Technological know-how
- Ability to create synergy through **Group Companies**

CONFIDENTIAL and PRIVATE

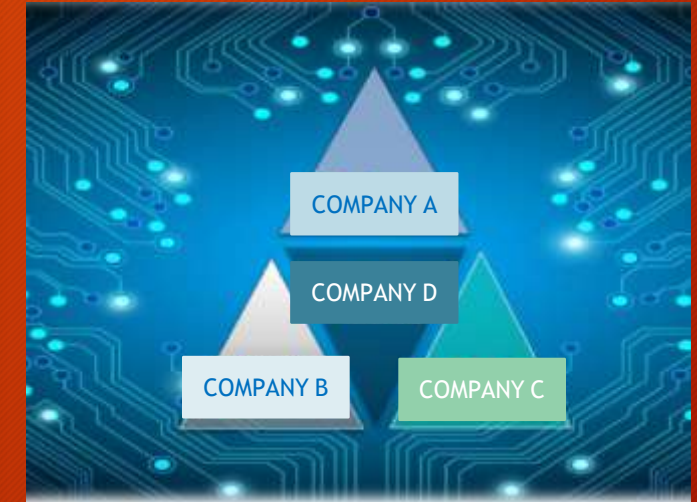

Electronic I Investments

CONFIDENTIAL and PRIVATE

ACTIVITY AREAS

- Electrical & Electronics
- Power Electronics
- PCB Board
- Telecommunication
- Lighting & LED Lighting
- Renewable/Solar Energy
- Construction & Real Estate
- Ship Industry
- Tourism
- Pharmaceutical
- ... New Investments

Electronic Components,
PCB & PCBA
Under One Roof

CONFIDENTIAL and PRIVATE

Electronic I Investments

- Semiconductors
- Passive Components
- Electromechanical Components
- TFT/LCD Displays
- Batteries
- Power Source
- PCBs
- RF Solutions
- LED Lighting Solutions
- Sun Integrated Circuits (IC)
- Connectors & Interconnections
- PCB Assembly Solutions
- Hardware & Software Design
- Technical Support for Electronic Components
- Automation Products Sales & Technical Support

COMPANY A

- #1 Component Distributor in Turkey
- 60+ Brands
- 40+ years of experience & know-how

Electronic I Investments

Electronic Components

SMD Production Line

ESD Protected Zone

0 Error, Test, Reliability

COMPANY B

- ESD protected, climate controlled, high-tech production lines & equipment in a closed area of 3,000 m²
- Electronic Card production for various sectors
- Manual assembly lines & Selective Soldering Machine
- Fully automatic SMD production lines
- Solder Paste Inspection
- Automatic Optical Inspection
- X-Ray Inspection
- R&D & pre-production studies
- Testing, assembly & packaging
- Other technical services
- 17 years of experience

Electronic I Investments

Electronic Components

COMPANY C

- PCBA Electronic Board design & production
- Electromechanical Assembly
- Environmentally friendly LED lighting
- 5,000 m² production area
- Over 850,000 component types
- Served for leading companies of Defense Industry
- National Secrecy & NATO Confidential Facility Security Certification
- Wholesale, retail and project-based solutions
- Modern electronic typesetting lines
- Electronic Card production engineering support
- Functional Testing & Environmental Testing
- Flexible production power
- 40+ years of experience

Double-side SMT & TH	No Clean & Lead-free Processes (RoHS)	Dry Cabinet & Baking	Conformal Coating	Electronic Board Cleaning	Ultra-fine Pitch, QFP, QFN, BGA, CSP, micro BGA assembly & rework	X-Ray Inspection for BGA Assemblies	30 AOI//SPI Automatic Optical Inspection // Solder Paste Inspection	
	Smallest 0201/0402 chip package placement	Air Washer system	Soldering under Nitrogen environment	Selective Soldering	ICT Test Flying Probe Test Functional Test	Temperature & Humidity Chamber	Lean Production 5S & ESD	Traceability

GROUP COMPANIES D

COMPANY D1

Large Production Facility:

Motion Sensors & Sensor Light
Production of over 1,000
products: Lighting, LED Lighting,
Audio & Video Intercom Systems,
Fire Detection System
10,000 m² production facility
Export to 40+ countries
50+ years of experience

COMPANY D2

International Investment (China):

Cooperation with Electronic
Technology Company
IPS Technology
Touch Panels
TFT LCD Panels
TFT LCD Display Modules
15 million annual production
capacity
20+ years of experience

COMPANY D3

Long-term Business Partners (Global Brands):

Turnkey Industrial Automation
products & solutions for the
manufacturing, construction,
energy industries
PLC, Servomotor, HMI, Relays,
Touch Panel (HMI), Frequency
Converter, LV Panel Devices,
Motion Products, Network
Switches

COMPANY D4

Industrial Battery Distribution:

UPS, Solar, Electric Vehicles,
Security, Cleaning, Telecom
VRLA, AGM, GEL, OPZS & OPZS
Types
TSE, CE, Eurobat Certified
Reputable Brands & stock
availability
Reliable, state-of-the-art
products & secure date code

COMPANY D5

Production Facilities (Europe, America, Asia):

High-tech & high-quality PCBs
and innovative solutions
Global sales network
Markets: Defense, Industry,
Aerospace, Automotive,
Transportation, Computer &
Information Technologies,
Telecom, Medical
40+ years of experience

Electronic I Investments

Electricity, Lighting & Automation Solutions

COMPANY E

Extensive standard Uninterruptible Power Supply (UPS) product range & assortment: Static Transfer Switch (STS), Frequency & Voltage Converters, Inverters & Rectifiers.

Award-winning UPS Management Software

Significant R&D investment

More than 500,000 UPS produced

Customers in 50+ countries on 5 continents

40+ years of experience

COMPANY F

Established in 2007; active as COMPANY F Greece since 2012

Distribution of Uninterruptible Power Supply (UPS), Static Transfer Switch (STS), Frequency and Voltage Converters, Automatic Voltage Regulators (AVR), Battery & Racks in the Greek market

One of the largest suppliers of Line Interactive & Single Line Online UPS in Greece

14+ years of experience

COMPANY G

Established in 2017

The world's largest lead-acid battery manufacturer operating in more than 80 countries

Solutions for telecom systems

Electricity generation & distribution

Railway applications, mining, renewable energy

Uninterruptible Power Supply (UPS) Battery manufacturers & traders

Load lifting equipment

Service for electric vehicles

COMPANY H

Tailor-made copper & aluminum conductor production & insulation for Motors/Generators & Transformers

Bare aluminum & bare copperwire, fiberglass, daglas, kapton, kraft paper, mica, nomex insulated conductors

Wide product range

Flexible production capacity

Extensive warehouse

Continuous investments in new machines

60+ customers in 30+ countries

COMPANY I

Engineering solutions & products for Telecom (Mobile Network, Satellite, Broadcast, Corporate Wi-Fi, LAN Network, Backhaul) infrastructure

End-to-end Premium services supporting precision engineering: product sourcing, project management, engineering & RF design, turnkey installation, optimization, maintenance, facility acquisition, consulting...

Electronic I Investments

Power Electronics, Batteries, Telecom Technologies

COMPANY J

Grid-Tied Systems:

On-grid Inverter production
Turn-key Solar Power Plant projects

Hybrid-Systems:

Hybrid UPS Systems
Energy Storage Solutions

Off-Grid Systems:

PV Panels, Chargers, Gel & Lead
Carbon Batteries
Solar Irrigation Systems

COMPANY K

License-Exempt Solar Power Plants (SPP):

18.75 MW
100% Ownership
20+ Facilities

COMPANY L

Owner of a Modern Bulk Carrier Fleet

7 ships with a capacity of 30,000 dwt in its Handy-size Pool
Annual approx. 1 million tons of bulk cargo: wheat, corn, maize, soybeans, sugar, rice, cocoa, soda ash, nitrate, aluminum, bauxite, steel, coal...
40+ long-haul annual voyages of trade
Trade in all major ports in 50+ cities worldwide

COMPANY M

Development, Production, Trade of Pharmaceuticals:

Treatment Areas: Allergic Rhinitis & Hives; Vitamins; Depression; Diabetes; Epilepsy; Herpes Simplex & Herpes Zoster Virus Infections (Coldsore, Chickenpox, Shingles); Hypercholesterolemia; Hypertension; Fungal Infections; Mucolytics/Expectorants; Pain & Inflammation; Reflux, Gastritis, Peptic Ulcer
20+ years of experience

COMPANY N

Project Development / Management:

Boutique Hotel
Restaurant
Business Center

Other Areas of Activities

Renewable Energy, Shipping, Pharma, Construction, Tourism
